CERTIFICATE OF COMPLIANCE

LRQA

hereby declares that the certification assessment has demonstrated that

SimPlate® Yeast and Mold Color Indicator

Manufactured and supplied by:
MilliporeSigma
12822 SE 32nd Street
Bellevue, WA 98005
USA

has been validated and revealed to be at least equivalent to the reference method as demonstrated by the validation study report, which has been prepared by a MicroVal Expert Laboratory and approved by the MicroVal Technical Committee. The above-mentioned production facility complies to the QMS requirements as mentioned in the MicroVal Rules. The summary of the validation report is available on the MicroVal website: www.microval.org.

Reference methods:

1. ISO 21527-1:2008 – Horizontal method for the enumeration of yeasts and molds. Part 1: Colonycount technique in products with water activity greater than 0.95;
2. ISO 21527-2:2008 – Horizontal method for the enumeration of yeasts and molds. Part 2: Colonycount technique in products with water activity less than or equal to 0.95.

Scope: a broad range of foods

The validation and certification has been performed in accordance with EN ISO 16140-2:2016, EN ISO 16140-2:2016/Amd. 1:2024 and the MicroVal Rules.

Certificate no.: 2009LR25

First approval date: 7 June 2010
Renewal date: 11 March 2026
Expiry date: 6 June 2030
