

# Role description

Resource Allocation Manager  
London

# The opportunity for you

## Executive summary

We are seeking an experienced Resource Allocation Manager who can build on a work allocation structure recently established in two of our groups and be a driver of resource management implementation and adoption across our Technology, IP & Information (TIPI) teams.

This new role is an exciting opportunity to support the firm's ambitious growth agenda. We want our clients to receive the best possible service, and our people to have access to great work that provides stretch and challenge. An efficient and effective work allocation process will ensure that workloads are balanced and further strengthen the strong sense of team within our business.

Ideally, you will have previous experience of setting up a resource allocation structure within a department, putting in place systems and building effective relationships with partners and fee earners within the department

## Key responsibilities

- Act as a trusted advisor to the partner group and be the main point of contact for all resourcing requests and queries. Meet regularly with partners and BD team to understand anticipated pipeline of work.
- Build strong working relationships, establishing and maintaining a thorough understanding of each group, their team structures and types of work. Flex processes when needed to accommodate differences in working style and client requirements.
- Create efficiencies in the allocation of work and the deployment of our people based on pipeline, utilisation and fee earner forecasted capacity. Highlight trends to partner group and advise on potential deployment.
- Take a commercial and pragmatic approach to resolving any issues when competing priorities arise.
- Management of the current work allocation tools, ensuring they are maintained, accurate and that data is shared efficiently with other core business systems.
- Creation and distribution of regular data reports and management information to share insights and trends with partner group and other key stakeholders.
- Work with fee earners to help ensure the range of work they undertake is aligned to individual career development needs and interests where possible.
- Work with BD team to identify individuals to support on business development initiatives on a practice and sector group level.

# Taylor Wessing in London

Located in central London, our office is a stone's throw from some of the UK's biggest names in technology, fashion and retail, as well as the courts housing the capital's legal profession.

After 15 years of being based in 5 New Street Square, in March 2023 we announced the decision to renew our lease and to invest in a full refurbishment of our office. This will create a modern workspace that supports our future business and sustainability objectives.

While the refurbishment is underway, we've temporarily relocated to Hill House, just a short walk from 5 New Street Square, which we anticipate will reopen in autumn 2025.

## Why London?

London is one of the top financial centres in the world and a key international tech hub. Our UK lawyers combine their deep understanding of the law with their outstanding market knowledge to support some of the most innovative businesses across the technology, media and communications, life sciences and healthcare, real estate, infrastructure and energy and private wealth sectors that do business in the capital and beyond.

We thrive on the challenge of keeping ahead of legal and regulatory developments to advise our clients in these dynamic sectors who are pushing the envelope in terms of the products they develop and offer and the business and economic models they operate. Our UK and international strength in M&A, disputes and intellectual property complements our focus on our key sectors.

## Our London team

Working alongside our lawyers, teams based in our London office support our UK and international business operations, including:

- IT
- Strategic Digital Ventures
- Finance
- Talent
- Risk
- Business Transformation
- Business Development, Marketing and Communications.

Anyone who works for Taylor Wessing in London becomes part of a fully integrated, UK-wide team. This is a fantastic firm for talented people who are intellectually curious, ambitious and want to work in one of the best cities in the world.

## Our Responsible Business Impact Report 2023

# Diversity & Inclusion

## Mansfield Certification

We are proud to announce that we have achieved Mansfield Rule UK Certification Plus for the 2023–2024 period, reaffirming our dedication to diversity, equity, and inclusion within the legal sector.

We're committed to delivering an inclusive culture and a progressive environment where we empower all our people to lead, learn and grow. The Mansfield Rule keeps us and the wider legal profession accountable for achieving and surpassing these goals; over the last year alone the Mansfield Rule has helped us continue to focus on monitoring our recruitment and promotion activities, as well as improving the diversity of our firm.

We've seen tangible changes in our firm from championing diverse voices across all areas of our business, something we want to see continue to flourish in the years to come and with Mansfield as a key partner in building in an inclusive environment for all.

## Responsible Business Networks

We embrace individuality and bring diverse teams together, creating an inclusive work environment where all of our talent can flourish. Our inclusion programme has five priority areas, each with partner champions and network groups, in addition to other networks and societies that bring people together within the responsible business programme.

### Our current networks include:

- Arts Society
- Balance in Business - our gender balance network
- Cultural Diversity network
- equaliTW - our LGBTQ+ network
- Family Matters network
- Social Mobility network
- Sustainability network
- Wellbeing network
