Taylor Wessing in London

Located in central London, our office is a stone's throw from some of the UK's biggest names in technology, fashion and retail, as well as the courts housing the capital's legal profession.

In 2023, we faced the choice whether to move to a new location in London or stay in 5 New Street Square. We decided to stay and invest in an extensive refurbishment as this would have less of an environmental impact than building and fitting out a brand-new space.

We're now back in 5 New Street Square and we look forward to clients and other guests experiencing our reimagined, modernised and more sustainable premises.

Why London?

London is one of the top financial centres in the world and a key international tech hub. Our UK lawyers combine their deep understanding of the law with their outstanding market knowledge to support some of the most innovative businesses across the technology, media and communications, life sciences and healthcare, real estate, infrastructure and energy and private wealth sectors that do business in the capital and beyond.

We thrive on the challenge of keeping ahead of legal and regulatory developments to advise our clients in these dynamic sectors who are pushing the envelope in terms of the products they develop and offer and the business and economic models they operate. Our UK and international strength in M&A, disputes and intellectual property complements our focus on our key sectors.

We planted our roots in Liverpool in 2018 and have a permanent presence in Edward Pavilion. Sitting on the vibrant Royal Albert Dock, our investment in this award-winning, state-of-the-art space cemented our commitment to the city and our Liverpool team has grown significantly since.

Why Liverpool?

Liverpool is synonymous with innovation, creativity and dynamism, all of which make it a natural home for us. We're proud to be part of Liverpool's business community alongside many of the technology and pharmaceutical companies that form the core of our client base.

We've built deep ties with the city since opening our Liverpool office, supporting local charitable initiatives and schools and working with The Conservation Volunteers to improve local green spaces.
