Taylor Wessing in London

Located in central London, our office is a stone's throw from some of the UK's biggest names in technology, fashion and retail, as well as the courts housing the capital's legal profession.

In 2023, we faced the choice whether to move to a new location in London or stay in 5 New Street Square. We decided to stay and invest in an extensive refurbishment as this would have less of an environmental impact than building and fitting out a brand-new space.

We're now back in 5 New Street Square and we look forward to clients and other guests experiencing our reimaged, modernised and more sustainable premises.

Why London?

London is one of the top financial centres in the world and a key international tech hub. Our UK lawyers combine their deep understanding of the law with their outstanding market knowledge to support some of the most innovative businesses across the technology, media and communications, life sciences and healthcare, real estate, infrastructure and energy and private wealth sectors that do business in the capital and beyond.

We thrive on the challenge of keeping ahead of legal and regulatory developments to advise our clients in these dynamic sectors who are pushing the envelope in terms of the products they develop and offer and the business and economic models they operate. Our UK and international strength in M&A, disputes and intellectual property complements our focus on our key sectors.

Our London team

Working alongside our lawyers, teams based in our London office support our UK and international business operations, including:

- IT
- Strategic Digital Ventures
- Finance
- Talent
- Risk

- Business Development, Marketing and Communications.

Anyone who works for Taylor Wessing in London becomes part of a fully integrated, UK-wide team. This is a fantastic firm for talented people who are intellectually curious, ambitious and want to work in one of the best cities in the world.
